The Northwest Boychoir celebrates its 41-year tradition with the presentation of its 2019 A Festival of Lessons & Carols concert series featuring eight regional performances in December. These holiday concerts showcase the 90-member combined chorus of the Northwest Boychoir and Vocalpoint! Seattle.

Patterned after the Christmas Eve observance at King's College in Cambridge, England, *A Festival of Lessons & Carols* is a holiday tradition for thousands of families in the Puget Sound region. This classical performance consists of nine holiday readings, each followed by a traditional carol performed by the choir, and another carol sung by the choir and audience.
